Michael A. Friedman, Commissioner
Food and Drug Administration
Parklawn Bldg, 5600 Fishers Lane
Rockville, MD 20857

Dear Mr. Friedman:

Humane Education Club

The views, topics, and discussions that will take place in this club setting do not reflect the beliefs or stance of Barry Goldwater High School or Deer Valley Unified School District #97.

The Humane Education Club at Barry Goldwater High School trains high school students on humane animal issues. These trained students visit elementary schools and teach young children how to humanely share the world with animals.

We are writing you on behalf of animals on the following topic:

The members of the Humane Education Club urge you to cease all requirements of cruel and obsolete animal tests for pharmaceuticals and instead, allow the companies to substitute in vitro tests for the safety of both humans and animals.

We thank you for your prompt attention to this matter.

Sincerely,

Georgia Benyk, M.Ed.

School Psychologist and Facilitator
and

Superintendent
Dr. Bill Hill
Governing Board
